Classe II

AN EXCELLENT PARTNER FOR YOUR BACK AND YOUR HEALTH

Discover our **R.65** lifting trolley, equipped with an electric lifting system capable of handling loads of up to 65 kg. Its versatile remote control, designed for lifting, tilting, and gripping, can be adjusted to your specific needs. Designed for easy maintenance, it ensures durability and reliability, making it suitable for handling boxes, coils, and crates. It offers a lifting height of 194 cm with overload protection for maximum safety.

Maneuverable thanks to its swiveling front wheels, our trolley is suitable for demanding professional environments, combining lightweight design with ease of use. Our R.65 Inox handling trolley is the ideal lifting tool for strict production environments such as the food, pharmaceutical, and chemical industries. Made of electropolished stainless steel, with an IP 65 remote control, it ensures maximum hygiene.

The R.65 is delivered with AGM batteries (24 V ; 9 Ah) as standard.
